

# THE MARINE SPA

FOR YOUR SAFETY AND COMFORT WE'VE INTRODUCED A FEW CHANGES TO HOW THINGS OPERATE.

4<sup>th</sup> SEPTEMBER

We will re-open for residential guests only

14<sup>th</sup> SEPTEMBER

We will re-open for members and external guests

## WHAT'S CHANGED?

### POOL & GYM ACCESS

Guests will be able to book 45 minute sessions in the pool and gym during their stay so we can manage the numbers in the spaces at any one time. There will also be a 15 minute turn-round slot in between each session so the areas can be thoroughly cleaned ready for the next guests.

Those staying who have children will be welcome to book the 45 minute sessions between 9.00am - 10.30am and 5pm - 6pm daily.

### TREATMENTS

Due to the restrictions we have had to remove treatments from our treatment list for the time being. Please review the new list online.

### CHANGING ROOM FACILITIES

We will be asking residential guests to shower, change and use towels from their own rooms. Where possible, members should arrive in their workout gear and use their facilities at home (as per the Government guidelines). Please note no robes or towels will be available in the spa.

AFTER A STRESSFUL FEW MONTHS, WE COULD ALL DO WITH A LITTLE ME TIME.
