ENGLISH BREAKFAST

This full-flavoured blend is made with bright African and malty Assam teas, picked during the prime second flush harvest.

EARL GREY

The elegant fragrance of the bergamot fruit gives Earl Grey its famous flavour. This particular blend balances the citrus with light and delicate teas from Africa and high-altitude teas from India.

AFTERNOON DARJEELING

A light and fragrant blend of teas selected from gardens in the foothills of the Himalayas, at the peak of the second flush season when the tea is at its best.

PURE GREEN TEA

A perfectly balanced green tea from highlands of Nandi Hills in Kenya's Rift Valley. Light and subtle, with no trace of bitterness.

ASSAM TEA

Picked at the peak of the season in India's Brahmaputra Valley during the second flush harvest, this is a rich, strong and full-bodied tea with malty notes.

LAPSANG SOUCHANG TEA

Created in the mountains of China, the leaves are dried on bamboo over smoking pine wood fires. Lapsang souchang is one of the oldest tea-making methods in the world, and gives the leaves a uniquely deep, rich, smoky flavour.

DECAFFEINATED BREAKFAST TEA

A decaffeinated blend of the finest quality African teas. Its light, sweet flavour makes it perfect to enjoy at any time of day.

CHINA ROSE PETAL TEA

This China Congou black leaf tea is layered with pink rose petals, giving a mellow, sweetness with a perfumed aroma.

CITRUS CHAMOMILE

Inspired by early the Greco-Roman period, this caffeine-free blend of chamomile is enhanced with the flavours of lemongrass and lemon verbena.

PERSIAN POMEGRANATE

Notes of pomegranate, hibiscus and liquorice come to the fore in this caffeine-free blend.

PEPPERMINT TEA

Made with organic peppermint leaves, which are quickly dried to preserve their flavour, this clean and crisp tea helps to soothe and relax.
